Join Our Team of Elite Air Traffic Controllers!
POST OF TRAINEE AIR TRAFFIC CONTROLLER

Airport & Aviation Services
(Sri Lanka) (Private) Limited

NOTE :

Please note that the closing date of applications for the post of Trainee Air Traffic Controller has been extended to June 30, 2024.

If you have already completed your degree successfully before the closing date of applications, but did not receive the degree certificate yet, we will consider your application subject to submission of your degree certificate before the final interview. When you apply, please upload a letter instead of Degree Certificate informing the reason of your inability to submit your degree certificate at the moment and assuring that you will produce the same before the final interview.

Air Traffic Control is the backbone of the aviation industry, that ensures safety and efficiency of air travel. This critical responsibility demands individuals with a unique set of skills, a calm demeanor, and exceptional resilience. It is a mentally challenging yet highly rewarding career.

As an Air Traffic Controller, you will guide flight crews to navigate their aircraft safely, avoiding other aircraft and obstructions, ensuring they reach their destinations efficiently. If you have the required qualities and are ready to take on this challenge, we invite you to apply for the position of Trainee Air Traffic Controller.

Job Scope

Providing Air Traffic Services for aircraft operations within Sri Lankan airspace.

Key Responsibilities

Ensure safety, efficiency, and orderly flow of aircraft movements in the Air and on Ground.

Age

Should be less than 30 years of age on the closing date for applications.

Other Requirements

Selected candidates will be required to undergo a training programme of one year conducted by the Company.

They should enter into an Agreement/Bond to serve the Company for a period determined by the Company on completion of the training programme.

On successful completion of training, they will be absorbed to the permanent cadre.
