Other Important Information

a. Marking Preferences for the Courses of study of the Universities in the Application Form

In the academic year 2023/ 2024, there are 125 different courses of study conducted by 16 National Universities, 02 Campuses and 02 Higher Educational Institutes under the UGC.

A unique code (a unique identity) is given to each individual course of study in a particular university/campus/institute. This unique code is referred to as a “Uni-Code”. In total, there are 257 Uni-Codes. The list of Uni-Codes is given in **page no. 141-147** of the University Admissions Handbook valid for the academic year 2023/2024.

Candidates could apply for any number of Uni-Codes (i.e. any number of courses of study of universities) to which they are eligible to apply. However, the candidates are not eligible to apply for all 257 Uni-Codes. A choice for a candidate will depend on the subjects offered at the G.C.E. (Advanced Level) Examination. However, each candidate can mark up to a maximum of 125 choices in the application.

They should arrange their “Uni-Codes” from the highest preferred Uni-Code to the lowest preferred Uni-Code. Sequence should indicate the decreasing interest to a Uni-Code, in the mind of the candidate. Candidates are not allowed to enter the same Uni-Code more than one occasion in the order of preference.

In the selection, the course of study and the university both will be considered together.

Candidates are strongly advised to mark the maximum number of Uni-Codes which they are eligible to apply when filling the application. Candidates are considered only for the courses of study of the universities for which they have marked preferences. **Candidates will not be considered for the courses of study of the universities to which they have not marked preferences.** Accordingly, if a particular candidate has not given a preference to a course of study of a university (Uni-Code) for which he/she could have been selected according to the Z score, he/she would not be allocated to that course of study and the university for which he/she has not indicated a preference. Instead he/she would be considered for the next choice of course of study and the university (Uni-Code) preferred by him/her.

Note 9: Candidates are advised to read the SECTION 3 of the University Admissions Handbook valid for the academic year 2023/2024 for the instructions to use Uni-Codes for indicating the order of preference.

Note 10: If a student is not getting registered to a selected course of study of a university (Uni-Code), he/she will not then be considered for any other university to follow the same course of study, under filling of vacancies even if the student has given higher preferences for the same course of study in different universities in the application form for university admission. Instead, his/her application will be considered for the next course of study preferred.

Students are advised to read the example named “Important” given in page no 113-115 of the University Admissions Handbook valid for the academic year 2023/2024 for further clarifications in this regard.

Note 11: Candidates are permitted to change their order of “Uni-Codes” online within two (02) weeks from the closing date for university admission applications as mentioned in Section 3.3 of the University Admissions Handbook valid for the academic year 2023/2024,

The duly signed and dated printed copy of the candidate’s new order of “Uni-Codes” should be sent by the registered post to reach the Deputy Secretary/ University Admissions, University Grants Commission, No. 20, Ward Place, Colombo 07 within two (02) weeks from the closing date for university admission applications.

Candidates are advised to read the Section 3.3 of the University Admissions Handbook valid for the academic year 2023/2024 for other required details in this regard.

b. Practical/Aptitude Tests

Candidates who wish to be considered for admission to the under mentioned courses of study should apply and pass the practical/aptitude tests conducted by the respective universities. **The relevant university will publish a press notice calling for applications to sit the practical/aptitude tests and the candidates should submit their applications for practical/aptitude tests directly to the respective university.**

The candidates may contact the Registrar of the respective university. The contact phone numbers of the relevant Universities/Higher Educational Institutes which conduct the practical/aptitude tests are given in page 195 of the Handbook.
